

## SERVICES AND CHARGES

On-site inspection

XACT Fluid Solutions services both XACT systems and third-party automated lubrication systems. Broad experience gained by designing, assembling, and servicing lubrication systems for our clients allows XACT to provide support for any type of lubrication system in any industry.

Our service team is staffed by individuals experienced in all aspects of lubrication systems. Our staff includes Mechanical and Electrical Engineers, Systems Integrators and Programmers, as well as experienced Technical Installers and Repair Mechanics.

Contact our office at 262.781.6500 or e-mail [solutions@xactfluid.com](mailto:solutions@xactfluid.com) for a quote or to discuss your specific lubrication system needs.

Shaun Beauchamp, Engineer

Jason Presley, Service Tech

### Service Fees\*

Personnel Description	Hourly Charge	Travel Charge Per Mile	Overnight Charge	Tool Charge Per Day
Mechanic	\$75	\$0.86	\$200	\$100
Service Tech	\$115	\$1.06	\$250	\$135
Engineer	\$180	\$1.20	\$300	\$150

\*XACT will provide a written estimate for installation of an XACT system or third party system. If project parameters change, XACT reserves the right to resubmit a revised estimate. Fees apply to continental U.S. Overnight charges may be applied for travel in excess of ten hours.

### Service Benefits:

- Single-source solution and service
- Staff technically trained in lube systems
- Service contracts for hands-off systems
- Routine check-ups on fully-automated solutions
- Overall cost reduction in parts and labor
